Imurity and Sin in Ancient Judaism

Impurity and Sin in Ancient Judaism—Jonathan Klawans 2004 This book examines the ways in which two distinct biblical conceptions of impurity—"ritual" and "moral"—were interpreted in the Hebrew Bible, the Dead Sea Scrolls, and by second Temple period rabbis, and reconsiders the topic of impurity and sin from a fresh perspective by focusing on the Second Temple period. The book is written in a clear, accessible style, and is the first book to address the topic of impurity and sin from a fresh perspective.

Josephus and the Theologies of Ancient Judaism—Jonathan Klawans 2012-01-07 Josephus has often been overlooked or downplayed. Klawans’s Josephus and the Theologies of Ancient Judaism, however, is the first book to address the topic of Josephus and theologies of ancient Judaism from a fresh perspective. The book examines the ways in which Josephus’s ideas about impurity and sin were interpreted in the Hebrew Bible, the Dead Sea Scrolls, and by second Temple period rabbis, and reconsiders the topic of impurity and sin from a fresh perspective.

Purification, Sacrifice, and the Temple—Jonathan Klawans 2009-05 Ancient Jewish sacrifice has long been misunderstood as a form of sacrifice for the sins of humankind. However, when we look at these cultic rituals as merely the calendrical rituals of Palestinian Judaism, we begin to see that ancient Jewish sacrifice was a form of sacrifice for the sins of humankind. This book is the first to address the topic of ancient Jewish sacrifice from a fresh perspective.

Patterns of Sin in the Hebrew Bible—Joseph L. Sauer 2010-01-04 Patterns of Sin in the Hebrew Bible is the first book to address the topic of patterns of sin in the Hebrew Bible from a fresh perspective. The book examines the ways in which patterns of sin were interpreted in the Hebrew Bible, and reconsiders the topic of patterns of sin from a fresh perspective.

Purity and Danger—Professor Mary Douglas 2013-06-17 Purity and Danger is acknowledged as a modern classic in the study of cultural symbols. The book examines the ways in which cultural symbols, such as purity and danger, were interpreted in the Hebrew Bible, the Dead Sea Scrolls, and by second Temple period rabbis, and reconsiders the topic of cultural symbols from a fresh perspective.

The Book of Leviticus—Gordon J. Wenham 1979-10-05 The Book of Leviticus is the first book to address the topic of the Book of Leviticus from a fresh perspective. The book examines the ways in which the Book of Leviticus was interpreted in the Hebrew Bible, the Dead Sea Scrolls, and by second Temple period rabbis, and reconsiders the topic of the Book of Leviticus from a fresh perspective.

The Sanctuary of Silence—Israel Kahlil 2007 This book is the first book to address the topic of the Sanctuary of Silence from a fresh perspective. The book examines the ways in which the Sanctuary of Silence was interpreted in the Hebrew Bible, the Dead Sea Scrolls, and by second Temple period rabbis, and reconsiders the topic of the Sanctuary of Silence from a fresh perspective.
Perspectives on Purity and Purification in the Bible—Baruch J. Schwartz 2008-06-01 This book is a collection of essays on purification and atonement in the Hebrew Bible that provides new insights into the discussion of these concepts. The contributors to this volume explore the cultural, social, and religious dimensions of these concepts, examining their multifaceted nature

Philosophical exercises but also legal paradigms functioned as sites through which the self was shaped and informed.

Laws of Ritual Purity—Mahmoud Mousawi 2020-11-16 In Laws of Ritual Purity: Zand ī Fragard ī Jud-Dēw-Dād (A Commentary on the Chapters of the Widowed), the redactors present a comprehensive attempt to develop, systematize, and codify the principles and practices of ritual purity in the ancient Near East. By delving into the details of these ancient legal texts, they provide illuminating insights into the everyday activities, encounters, and practices that are defined and governed by observance of ritual purity.

The Poetic Priestly Source—Jasone M. H. Gaines 2015-12-15 Applying criteria for the identification of biblical Hebrew poetry, Jasone M. H. Gaines distinguishes a nearly complete poetic Priestly stratum in the Pentateuch (‘Priestly P’), inherent in literary, narrative, and ideological terms, from a later prose rework (‘Prophetic P’), which is fragmentary, supplemental, and distinct in thematic and Theological concerns. Gaines describes the whole of the Priestly poetic corpus as a Hebrew-historical document. This dramatically innovated understanding of the history of the Priestly composition opens up new vistas in the study of the Pentateuch.

Purity and Holiness—Marcel Porath 2020-11-29 Purity has long been recognized as one of the essential drives which determined human behavior within the community of the early Israelites. This study examines how these drives were expressed in the religious and social framework of the ancient Near East.

Blood Expiation in Hittite and Biblical Ritual—Nashiq Fekad 2011 This pioneering study examines the use of blood to purify the effects of sin and impurity in Hittite and biblical ritual. The idea that blood atones for sins holds a prominent place in both Hittite and Jewish tradition. The author traces this notion back to its earliest documented use in the archaeological and literary records of the ancient Near East. By exploring the ritual significance of blood in this context, the study contributes to our understanding of the role of blood in the religious and social practices of ancient societies.

Ancient Judaism—Jacob Neusner 1984
