Under the AEG Presents brand, it is the world's second largest presenter of live music and entertainment events after Live Nation.

amphitheatre | architecture | Britannica
In most of the Roman amphitheatres, an elaborate labyrinth was constructed below the arena. The passages, including the media via for scenery, spaces for elevators and machinery that lifted the animals and stage sets, and rooms for the gladiators, were ingeniously arranged to connect, by means of many trapdoors, with the arena above. Around that arena, and separated from it by a high wall

Melbourne Park - Wikipedia
Melbourne Park is a sports venue in the Melbourne Sports and Entertainment Precinct in Melbourne, Victoria, Australia. Since 1988, Australia's bicentenary, Melbourne Park has been home of the Australian Open Grand Slam tennis tournament, which is played annually in January. The park has facilities capable of hosting basketball, netball, music concerts and other events.
